

Auditing Standards for Internal Auditors:

(The International Professional Practices Framework (IPPF))

Course Introduction:

The International Professional Practices Framework (IPPF) is the conceptual framework that organizes authoritative guidance promulgated by The IIA. A trustworthy, global, guidance-setting body, The IIA provides internal audit professionals worldwide with authoritative guidance organized in the IPPF as mandatory guidance and recommended guidance. To ensure that you are a good ambassador of the internal audit profession, it is crucial that you comply with the IPPF.

Course Objective:

To familiarize participants with the core elements of the IPPF and highlights the various standards, documents, and practices that should be applied to individual internal auditors and internal audit activities.
